## Door Decorating Contest

Criteria for judging:

Most creative in using the **Ancient Greece** theme and/or the football game against the Perry Bluejays.

Rules:

1. Must be completed by the end of Success Center on Tuesday, September 26<sup>th</sup>. Your teacher should get a large sheet of butcher paper from the office ahead of time.
2. No permanent marks or damage are permitted. Your design cannot block the hallway.
3. Teachers may allow students to use their scissors, tape, and/or markers. Everything else must be brought in by the students. Do not use material from the art room. Use only painter's tape on the door itself.
4. Must be school appropriate (no references to alcohol, etc.). Teachers have the final say as to what goes on their door.
5. The winning class will be awarded a prize funded by the Student Council – usually food.
