

Happy Birthday!!!

If you would like to participate in the Gilbert Elementary School Birthday Book Club, please fill out the form below and enclose it in an envelope. Please make the check in the amount of \$5.00 or more. The check should be made payable to Gilbert Elementary School. Give the form and check to any library staff. They will help you choose your birthday book. This is a nice way to help our library buy more books. You will get to check out your birthday book first. When you return the book, friends will be able to check it out.

Thank you for supporting the Gilbert Elementary Library.
