*Please read this important message from Gilbert Community Schools*

Dear Gilbert Families,

Gilbert Schools will send a more detailed email later today or early tomorrow following Governor Reynolds' press conference this evening. Pending additional guidance from our state leaders:

- Gilbert Schools will be closed through April 12, 2020.
- All athletic and activity practices & events have been suspended through April 12, 2020.
- All buildings and facilities are closed to staff and the public.
- Kid's Club will remain open through March 17, 2020, at 4:00 pm and then will be closed through April 12, 2020.

Thank you for your patience and understanding through so much uncertainty. Please don't hesitate to reach out to any building principal or the District Office should your family need any assistance or support.

Lindsey Beecher

Superintendent

Gilbert Community Schools
