

Please read this important message from Gilbert Community Schools

TIGER GRAB-N-GO MEALS

These are uncertain times and we want to do whatever we can to help members of our Gilbert Tiger Community. There are members of our student body that rely on GCSD to provide a nutritional breakfast and lunch. As a result, this extended break will be even more challenging for some members of our Gilbert Family.

Starting Monday, March 23rd we will provide Grab-N-Go meals to those in need in an effort to offer some relief. In order to keep each other safe, we will honor social distancing by placing the lunches on a table. All you need to do is grab your bag and go!

All you need to know:

- All meals are FREE of charge for both children and adults
- Peanut free
- Pick up - Monday, Wednesday and Friday from 11:30 a.m. - 12:30 p.m.

Location - south side parking lot of the high school (main lot).

- Grab-N-Go Meals will be made available as follows:
 - Monday and Tuesday Meals - available Monday
 - Wednesday and Thursday Meals - available Wednesday
 - Friday - available Friday.

Please use this [link](#) to request your Grab-N-Go meals. This will simply help us know how many Grab-N-Go meals to have ready.

Please share this information with neighbors and friends who do not have school-age kids. If they do not have access to the [link](#), have them call 515-735-6120 and leave a message with dates and the number of meals they need.

Please help us get the word out. Every, Family. Every, Day!
