Gilbert Families & Staff:

Technology Update

As we are venturing into this new world of virtual learning, some of our teachers may use live video virtual meetings. These will occur through Zoom or Google Hangouts. We ask that you please respect the privacy of students in the classroom, no taking pictures, no screenshots or video recording of these classroom events. This follows the guidelines in all our school handbooks.

If this mode of communication is something you do not want your child to participate in, they do not have to login. If there are any questions please contact your child's building principal.

Grab-N-Go Meals Update

There is a new link for Grab-N-Go meals starting Monday April 13th. The [link](#) is live and will be active through April 29th. If we do not come back to school May 1, then a new link will be added. If there are questions please feel free to reach out to the district office.

Community Survey

Please take a few minutes to fill out the quick needs survey. Follow this [link](#). We are using this information to know how we can best support you. If your situation changes please fill it out again.

Remember we are ALL IN THIS TOGETHER! Take care of yourself, take care of each other, and let others take care of you.

Every Family! Every Day!
