

Please read this important message from Gilbert Community Schools

Gilbert Families & Staff

I received an email from the Gilbert Public Library with some important information that may help some of you during this quarantine. You can access free WiFi from the Library which has just been upgraded. You can also request library items and they will have them available for pickup at the door. Also, if you have a library card number, you can access BRIDGES for downloadable e-books and audio books, magazines, and limited films. You can also access their free online resources, including Credo Reference, Transparent Language, BrainFuse and Gale Databases. A link to apply for a temporary digital card is available on the library website at www.storycity.lib.ia.us if you are not a current cardholder.

Thank you to the library for this great opportunity and support for our community. I hope some of you are able to take advantage of these materials.

Lindsey Beecher
