*Please read this important message from Gilbert Community Schools*

Today would have been our last day of school for the 2019-2020 school year. It is not the ending we were hoping for. Thank you for partnering with us on navigating to whatever this new normal looks like.

We have already begun the process of what next year could look like. As we shared in an earlier update, we have put a team together of teachers, administrators, and community members to work on our Return to Learn plan for the Iowa Dept. of Education. This is due July 1st. This committee is broken into subcommittees:

- Infrastructure
- Health & Safety
- Curriculum & Standards
- Social-Emotional, Behavioral Health
  - For both students & staff
- Equity

Throughout the summer we will be asking for your opinion and feedback. Today we are looking for your feedback on how remote learning worked for your family. Please take a few minutes and let us know your thoughts. This work is a team effort. We feel there are things that went well and things we can learn from.

- Parent [SURVEY LINK](#)

If you have more than one child in school, please fill one out for each child. This survey is anonymous. A student survey will also be sent to all 3-12 grade students. Please encourage your child(ren) to respond.

2019 - 2020 [3rd -12th Grade Student Survey](#)

The student survey is also anonymous. The link for grade levels are above; this link will also be sent to student emails. Please ask your child to take a few minutes to fill this out. We will be using this to help drive our decision making.

Thank you in advance for your help. We can't do this work without you. If you have any questions please feel free to reach out to either Lindsey Beecher or Carrie Clark. We would like to have the surveys completed by Monday, June 8th.

Thank you for trusting us with your child. We value that trust!

Every Family! Every Day!
