Gilbert Schools
Every Student. Every Day.

Tomorrow is our first remote learning day for all our students, K-12. Below are the directions on using Infinite Campus and taking attendance. For our onsite learners, teachers will have directions in Seesaw or Google Classroom, or the directions were given on Tuesday for the expectations on Wednesday. This is not a day off. All classes have learning expectations for students. If there are any questions please feel free to contact your building principal or Carrie Clark, the Director of Teaching and Learning. Thank you for partnering with us. We are stronger together.

Attendance & Remote Learning WEDNESDAYS

PARENT INFORMATION

(if you are a total remote learning family, you are already doing this)

We have developed an attendance system for our Wednesday remote learners. This is new to Infinite Campus and to us.

We know there are learning curves that we will encounter for the first few weeks of school. Please be patient with us. We will continue to communicate updates as we move forward.

Attendance is required daily. If a student is not participating for a day Wednesday remote learning day, parents will be asked to notify their school office ASAP.
